About Endurance

The insurance and reinsurance subsidiaries of Endurance Specialty Holdings Ltd., a NYSE listed company, provide insurance and reinsurance products focused on the underwriting of specialty lines. Our clients are serviced by over 700 employees located in Bermuda, Europe, Asia and throughout the United States.

Each of our specialty teams is led by and staffed with experienced professionals who have a deep expertise in the class or line of business they service. The result is an informed partnership between our clients and Endurance.

Endurance's Specialty Focus

Our multi-disciplined teams bring industry knowledge, specialized analytic capability, and passion for our business to each of our product lines. We believe that our focus and commitment to specialty markets enable us to thoroughly understand our clients' needs so that we can better anticipate and manage their risks. We build loyalty from our clients — risk managers, insurance buyers and their brokers — through responsive and consistently high quality underwriting, actuarial and claims services. At Endurance, we take our name seriously — we focus on innovative and sustainable solutions.
