

U.S. INSURANCE OPERATIONS

We look to serve insureds that seek a committed, reliable long-term partner with a breadth of capability. Our team focuses on complex accounts and is committed to serve the varied property and casualty exposure needs of our wholesalers and their customers. By carefully monitoring changes in the market and truly understanding your risk exposures, we can better work with you to keep placement recommendations timely and responsive.

Primary Casualty Insurance

The goal of your primary casualty underwriter is to fully understand your needs and those of your retail broker clients. Our response is focused on creative solutions that set us apart from other carriers. As in our other lines of business, our philosophy of limited producer appointments provides close working relationships that give you an edge over your competition.

FINANCIAL STRENGTH

- Group ratings of A (Excellent) from A.M. Best (XV size category) and A (Strong) from Standard & Poor's (S&P)
- Enterprise Risk Management rating of "Excellent" from S&P
- Strong group balance sheet with high quality assets and exceptional liquidity

Coverage Features

SIGNIFICANT CAPACITY

- In-house limits available up to \$2M per occurrence / \$4M aggregate

TARGET CLIENTS

- Product liability for manufacturers, distributors and dealers of domestic and foreign made products
- Commercial contractors for most types of operations, including source of construction projects, except for "Paper General Contractors."
- Premises liability for lessor's risk, mercantile and habitational real estate
- Short-term special events

FORMS

- Latest ISO Commercial General Liability forms, as well as manuscript forms crafted to particular situations
